

REMARKS

The foregoing Corrected Listing of Claims is believed to meet the requirement of the notice of non-compliance. The corrections are identified below.

The status identifiers of each claim have not been changed compared to the listing of claims provided with the amendment of January 23, 2006 (received by the Office on January 27, 2006). However, the following claims have been corrected to conform them to their status identifier:

Claim 1 retains its "Previously Presented" identifier but on line 6 "utilizing" is changed to the original "utilising."

Claim 5 retains its "Original" identifier but on line 2 "date" is changed to the original "data."

Claim 12 retains its "Original" identifier but on line 4 the word "said" is returned to its position before "selected state."

The other claims have been reviewed and are believed to be correct in their form and identifier as presented with the amendment filed on January 23, 2006.

The discrepancies are regretted. It is believed that the attached listing of claims is complete and accurate in all respects.

Conclusion

In view of the above, the Applicant submits that the application is now in condition for allowance and respectfully urges the Examiner to pass this case to issue. The Examiner is respectfully invited to telephone the undersigned attorney as needed in order to advance the examination of this application.
